

National celebrations

We celebrated our liberation from Turkish and Italians on October 28th and November 11th.

On November 17th we celebrated the restoration of Democracy. The students of Polytechneion (a university polytechnic department) shouted Polytechneion is here! Polytechneion is here! People of Greece, the Polytechneion is the flag bearer of our struggle and your struggle, our common struggle against the dictatorship and in favour of democracy! Their passwords were " Bread, Education, Freedom".

Our students made projects and theatrical shows to express their pride!
